Please note:

- Our fees exclude vat (no vat is charged on the official fees)
- The fixed fees for searching apply to word marks only. Logo searches will be extra
- The fixed legal fees quoted above apply only to trade mark applications which are unopposed and proceed without complication. They not apply to legal work which may be required beyond the usual unopposed registration process such as dealing with objections from the Trade Mark Registry or other third parties. If additional work is required fixed hourly rates will first be negotiated with the client before further work is undertaken.
- An administration fee of 2% of the value of the order may be charged to cover the costs of processing payment.
- There are no hidden fees!
